

EQUIP 2023 – ‘Recapturing Hope’ (Reflection Sheet)

Reflecting on the evening and the talk from Revelation 21, have a look at these questions and use them to ensure what you heard is not lost and continues to recapture your hope.

- How does the image of the bride recapture your hope?
- How does the image of the city recapture your hope?
- How can you occupy your mind more regularly with our future hope?
- Think about one aspect of your life where you need to refix your hope on eternity and Jesus. How might you do that? What difference could it make?
- Who can you be praying for, that God would enable you to share your future hope with them?

Practical reflection

- 1 thing God taught you
- 2 ways you have been encouraged
- 2 ways you have been challenged
- 1 thing you want to change
