Sammy Davies, pastor of Ammanford Evangelical Church, brought a group of 20 from the church to EQUIP 2017.

Sammy Davies,
Ammanford Evangelical Church

“Successful churches aren’t led by an individual, but by a team of people working together,” said Sammy. “It is vital that all those involved in church can spend time learning and applying that learning too.”

Chris Street, a member of the Wales Leadership Forum, which is organising the conference said: “It is so encouraging to see churches taking up the opportunity to build new relationships with God’s people to support one another in sharing the gospel lovingly, confidently and persuasively.”

BRING A GROUP FROM YOUR CHURCH!

The [EQUIP 2017] conference had a fantastic impact on all those who attended from our Diocese and everyone came away inspired and...equipped(!) to continue God’s work in their individual callings and to contribute to our work as a Diocese more fully too. We will definitely be coming again!

Clare Williams, Children and Youth Work Coordinator, Diocese of St Davids, Church in Wales.

EQUIP Fund

The EQUIP Fund is an initiative to help support, resource and fund 10 'grassroots' projects or ministries across Wales as they share the gospel with Welsh communities.

We were reminded poignantly at EQUIP 2017 of the truth that many towns and villages around Wales suffer from the effects of high levels of unemployment. Christians and churches seeking to support and reach their communities in those areas often do not have the financial resources themselves to be able to employ ministers, pastors and youth workers to aid that work.

The EQUIP Fund seeks to encourage those of us who are blessed with employment, savings or a steady income to put to good use some of the resources that God has given us.

Our gifts and donations will go directly to helping support groups across Wales as they work to grow God's church.

It is committed to achieving this by identifying, uniting, mentoring, and resourcing God's people - either in full time ministry or as leaders of ministries.
