

Jesus meets us on the journey

REFLECTION QUESTIONS

- **Share together stories of how you have encountered Jesus personally, where he has been meeting with you recently?**
- **Who are the people in your neighbourhood, work places, families who are busy or distracted, heartbroken or despised? What might help you to persevere in prayer for these individuals?**
- **How do you feel about the idea of reading a Gospel with an individual or small group, in order to introduce them to Jesus? What might help and what might hinder you in this?**
